Mohammad Parsa Malek

bioelectric engineer

✉ mohamadparsamalek.30@gmail.com 📞 09900100336 📍 Narmak, Tehran

🛡 Educational Status: Exemption ⚤ Male in Page link

⭐ Personal Information

Age
21 Years
Tehran, Tehran

💼 Work Experience

atieh sazan
UI/UX developer
07/2024 – 12/2024 | Tehran, Iran
(5 months)

🧠 Software

Microsoft Word Advanced	**Altium Designer** Advanced	**Latex** Advanced
Proteus Advanced	**C++** Advanced	**Python** Advanced
JavaScript Advanced	**VHDL** Advanced	**Linux** Advanced
OpenCV Advanced	**Flutter** Advanced	**.Net Core / .Net** Advanced
Embedded C Advanced	**Kotlin** Intermediate	**CodeVision** Intermediate
Dart Intermediate	**Server Virtualization (ESX,VMware and …)** Intermediate	**Logo** Intermediate
Stimulsoft Report Intermediate	**GIT** Intermediate	**LOGO! Soft** Intermediate
Wireshark Intermediate	**JQuery** Intermediate	**Assembly** Intermediate
Verilog Intermediate	**ASP.Net** Intermediate	**Java** Intermediate
C Intermediate	**Pspice** Intermediate	**C#** Intermediate
MATLAB Intermediate	**Labview** Intermediate	**edge Impulse ai usage** for make Ai algorithm into embedded processor(make algorithm easier to implement in c)

🌐 Languages

Address
Narmak

🎓 Education

Bachelor: Biomedical Engineering- Bioelectric 2022 – Present
Sharif university of technology

🧠 Additional Skills

- Embeded system designer
- Circuit designer using Altuim designer

- implement machine learning algorithm using MATLAB and python
- Programming of ARM microcontroller

- implement machine learning algorithm in embedded systems

📂 Projects

My volunteer and course projects 🔗
include My reward
